SUMMARY

Motivated and fast-learning Software Testing trainee with a strong foundation in Core Java. Currently enrolled in the Digital Egypt Pioneers Initiative (DEPI) — Software Testing track. Passionate about quality assurance, critical thinking, and continuous improvement. Practical experience in writing manual test cases and bug reports using Excel; currently pursuing automation testing with Selenium and building foundational knowledge in databases.

EDUCATION

Arab Open University (AOU), Faculty of Computer Science	**Sep 2025 - Present**
Pursuing 1st year undergraduate studies in Computer Science.	
El-Obour Secondary School for Boys	**Sep 2020 - Sep 2024**
Cumulative average (Third year): 81.37%.	

PROJECTS

- **RESTful-Booker API Testing**
  - Conducted manual API testing using Postman on RESTful-Booker.
  - Focused on authentication endpoint, designed positive and negative test cases.
  - Reported bugs and documented results using Excel sheets.

- **ISTQB Foundation Practice (Demo Site)**
  - Applied ISTQB-aligned manual testing on Demo Site.
  - Created and executed structured test cases following SDLC principles.
  - Reported findings and produced test documentation.

- **Personal Portfolio (Web Project)**
  - Developed My Portfolio using HTML, Tailwind CSS, and JavaScript.
  - Designed responsive UI with Dark/Light mode and modern layout (Grid & Flexbox).
  - Integrated email contact form via Formspree for project communication.

SCHOLARSHIP AND TRAINING

- **Digital Egypt Pioneers Initiative (DEPI) — Software Testing Track**

  Jul 2025 - Present

  - A six-month intensive program designed to build end-to-end software testing expertise.
  - Covered the full Software Development Life Cycle (SDLC) with emphasis on ISTQB-aligned fundamentals — including static and dynamic techniques, test design, and test management.
  - **Manual & API Testing:** Exploratory and functional testing using tools such as Postman.
  - **Automation Testing:** Developing automated test scripts with Selenium and Java.
  - **Test Management & Bug Tracking:** Applying industry practices using Jira and Excel.
  - **Supporting Skills:** Foundational Java programming and prompt engineering for AI-assisted testing workflows.

HONORS & ACTIVITIES

University   **Sep 2024 - Present**
- Participant — Digital Egypt Pioneers Initiative (DEPI), Round 3, Software Testing Track.
- Completed 21-hour course: Medical Analysis Principles — Syndicate of Scientific Professions.
- Completed Bloodborne Pathogens Certification — NHCPS.

High (Secondary) School   **Sep 2020 – Sep 2024**
- Competed in the 16th Undergraduate Research Forum (UGRF) — Business Model Competition, presenting a modern agriculture technology concept.
- Awarded for excellence in the International Kangaroo Mathematics Competition.
- Served as Secretary General of El-Obour Educational Administration Student Union.
- Won 1st place in Arabic Poetry and Ideal Student competitions, competition at El-Obour Educational Administration level.
- Organized school trips and extracurricular activities at El-Obour Secondary School for Boys.

SKILLS

Technical Skills:
- **Software Testing:** Manual Testing, Test Case Design & Execution, Bug Reporting, Test Case Management (Excel), API Testing (Postman), Test Management (Jira & Xray), Basic Database Testing (SQL), currently learning Automation Testing with Selenium.
- **Programming:** Java (Fundamentals), Dart (Basics), C++ (Basics), LaTeX (Basics), HTML5 (Basics), CSS (Basics), JavaScript (Basics).
- **Tools:** Jira (Xray), Postman, Microsoft Office (Excel, Word, PowerPoint), Visual Studio Code, Git (Basic), Basic Video/Photo Editing.

Personal Skills:

- Leadership
- Problem Solving
- Teamwork

- Time Management
- Continuous Learning
- Adaptability

LANGUAGES
- Arabic — Native.
- English — Intermediate (Reading & Writing), Conversational (Speaking).

SPORTS
- Kickboxing — Joined the Kickbox team (Sep 2024).
- Fins Swimming — Team member (Oct 2022 – Jan 2023).
- Basketball — Played in federation-organized matches; team ranked third at Qalyubia Governorate (Jun 2017 – Sep 2022).
- Karate — Yellow belt (Mar 2015 – Sep 2015).
